

Transition Buddies

Coordinated by Miss Bradbury (Head of Key Stage 3), our team of Transition Buddies is made up of students in Years 7-9 who have a passion for supporting the transition of our new studies at Bedale High School.

Applications for Transition Buddies open at the beginning of the summer term, and responsibilities include:

- Visiting local feeder primary schools and having conversations with prospective new students
- Showing new Year 6 students and their families around the school
- Taking an active role during Year 6 Transition Week, supporting students in their new form
- Being 'paired up' with new Year 7 students in the Autumn term to support the transition process.
