

Excellence for All in an ever changing world

Parents' Consultation Evenings

Our Parents' Forum has shared with us ideas to enable parents to make the most of their discussion with staff.

1. Have the most recent report with you to clarify any aspects with teachers that may have arisen.
2. Bring a pen, notebook with you to record the ideas that teachers suggest and any points you wish to raise with your child.
3. Whether your child comes to Parents' Evenings is your choice – it depends how you wish to have conversations about learning.
4. Learning Leaders can help to support students to make appointments for the Parents' Evening.
5. The consultation is for 5 minutes, please be aware of this.
6. If you have been unable to gain a slot for Parents' Evening, staff will help with feedback. Please contact your Learning Leader on admin@bedalehighschool.org.uk
