What is ESTA?

ESTA stands for *Electronic System for Travel Authorization*. ESTA is an [online application system](#) developed by the United States government to pre-screen travelers before they are allowed to board an airplane or ship bound for the United States. Who Needs to Apply for ESTA?

All travelers entering the United States (by air or sea) under the visa waiver program are required to hold a valid ESTA travel authorization. U.S.-bound travelers are recommended to apply for a Travel Authorization at least 72 hours prior to departure.

What is the Visa Waiver Program?

The visa waiver program is a U.S. government program that enables citizens and nationals from the [Visa Waiver Countries](#) to enter the United States for tourism or business purposes for up to 90 days without obtaining a visa.
