

19th December 2019

Dear Parent or Guardian,

On January 17th 2020 Bedale High School will receive a visit from the Army Outreach Team. This will involve a careers assembly which will be given to Years 9 and 10 followed by a series of outdoor sessions full of challenging tasks that develop mental and physical attributes. This will give students a taste of Army teamwork and problem solving skills.

This experience would particularly suit students who wish to explore the possibilities of a career in the armed forces. However it will also help embed more generic qualities such as working successfully together, the importance of hard work, physical exercise and following instructions. We hope it will be also worthwhile in building self-esteem and focussing young minds on what it takes to succeed.

Your child has shown an interest in attending these free sessions so I would be most grateful if you could complete the slip at the bottom as soon as possible and return it to Mr Chapman. Places will be allocated on a first come, first served basis.

Many thanks

Mr Chapman
