The Bedale High School

Auction of Promises 2020

On 27th March 2020 Bedale High School will be holding a special Auction of Promises evening to raise money for school funds. We want this to be a fun social event that brings together different groups within our community and enables everyone to be involved.

Students and parents will be consulted around how any funds raised might be spent, but suggestions from students so far have included refurbishing our tired-looking assembly hall, new books for the Learning Resource Centre, more materials for Art, new equipment for the PE department, and a set of ipads to help in creative/design based subjects...but given the funding cuts that have hit smaller rural schools in recent years, there is no shortage of need!

What is an Auction of Promises?

An event where individuals and companies promise to deliver a service or donate an item which will then be auctioned off to the highest bidder with all money raised being used to improve the learning experience of the young people at Bedale High School. Tickets for the event will be on sale in the New Year and the price will include an evening meal. There will also be a bar selling drinks all evening.

What kind of Promises can I offer?

Do you work for a business or shop who could donate an item for us to auction off? Are you able to promise to bake a cake for a special event? Could you offer a meal on the house? Do you have access to a vehicle and could offer a chauffeur service or a make-up service for the prom? Could you mow a lawn, provide a garden tidy up, paint a house, provide piano tuition or work experience? Promises can be big or small but all contributions will make a massive difference and be very much appreciated!

How can I donate my Promise?

We would be most grateful if you are able to offer a promise if you could complete the form over the page and return it to school with your child.

Name of Promiser	Details of the Promise	Contact details (Mobile or Email)
