

Dear Parents/Guardians/Students,

Bedale High School Parkrun Takeover – Saturday 28th March 2020.

I am writing to inform you about an upcoming fundraising event that we are organising to raise money for our English department.

On Saturday 28th March 2020, we are hosting a Parkrun takeover at Northallerton Leisure Centre at 9:00am and we would like to get as many staff, students and parents involved as possible. Parkrun is a free, volunteer-based 5K run held every Saturday morning across the world. It encourages people to participate regardless of ability and is a friendly, supportive environment.

We need 20+ volunteers, but would also love to appeal for runners to get involved and take part in the event as well. Volunteers don't need any experience as there will be a volunteer briefing on the day, however those willing to help will need to arrive at 8:30am. Possible volunteer roles include: funnel manager, photographer, timekeepers, barcode scanning, finish tokens, number checker, tail walker and marshals.

We also would appreciate some volunteers to do some baking for the event as we will have a refreshment stand on the day and this is how we will raise money.

If you would like to get involved or would be available to help, please return the attached reply slip to Miss Temple as an expression of interest and we will update you with more information nearer the event.

All help is very much appreciated and I'm happy to answer any questions.

Yours faithfully,

Emily Maidwell

Lead Student

Bedale High School Parkrun Takeover – Saturday 28th March 2020

Name: _____ Tutor group: _____.

I would like to help/get involved by (please specify):

Volunteering at the park run event.	
Baking cakes for the park run event.	
Running/jogging/walking the 5km park run at Northallerton on this date.
