

## Dear Parents

### We are inviting your child to take part in a free online webinar as part of IGD's Feeding Britain's Future (FBF) digital schools programme

As we are unable to visit your school this term, we are now bringing our free employability skills training to students at home! In our 30 minute webinar your child will:

- Hear from industry professionals LIVE – learn about their jobs, the skills they use at work and the impact of coronavirus on their role
- Take part in fun quizzes
- Have the chance to ask questions
- Only the industry presenters will be visible or heard but students can submit written questions

You can find out more about Feeding Britain's Future and our charitable work here

## Digital safeguarding

- Students will only be able to see and listen to the presenters during the webinar. They will not have the option to switch on their own mics or cameras
- Students can submit questions for our industry professionals during the webinar but only our facilitator can see these, and they will select from those submitted
- Students will also participate in a webinar 'poll' to enable them to answer multiple choice questions in the quiz. The facilitator will demonstrate how to do this.

If you have any questions, please contact **Miss Temple** [templec@bedalehighschool.org.uk](mailto:templec@bedalehighschool.org.uk)
