

Dear parent/guardian,

We recently came into Bedale High School to tell your teen all about NCS. Hopefully, they'll fill you in, but here's a little overview of who we are and what we're about...

NCS is an experience specially designed for 16-17 year olds. We give young people a few weeks out over the summer holiday to meet new people, try new things and cover new ground. We're all about helping teenagers realise their potential, by giving them a taste for independence and loading them up with new skills so they can go on to smash their future goals.

As a national youth programme, NCS is made up of lots of regional providers – and that's where we come in. We're MFC Foundation and we're your local NCS provider. Last year, we gave 75 students from a variety of schools in the North East the opportunity to complete their NCS experience. And this year, it's your teen's turn!

Technically a spot on our four-week programme costs around £1,500 but because we're government-funded, we only ask for a contribution. **The most you'll pay is £50**, and we also offer bursaries – so *everyone* can do NCS.

This summer, we've got a few dates you can choose from (waves). All weeks are Monday to Friday.

Wave	Dates
Wave 1	06.07.2020 – 27.07.2020
Wave 2	20.07.2020 – 10.08.2020
Wave 3	03.08.2020 – 28.08.2020

Want to find out more? Head to: **wearencs.com**. Alternatively, if you have any questions or don't think these dates will work with your summer plans, give us a call and we'll do our best to help you out: **0800 197 8010**

Kind regards,

Kelly Daley (NCS Coordinator)
