

## Achievement of Pupil Premium Students

### Disadvantaged Students and service students – 2015 – 2018 results.

#### Bedale High School.

#### Pupil Premium Impact Statement

Our pupil premium strategy has been refined over the last eighteen months as our understanding of the impact of attendance and high quality teaching and learning has grown.

However, our results in the summer of 2018 reflect that narrowing the gap for our disadvantaged students is still a huge area of focus and development as a school. For the 2018 results, our disadvantaged student's provisional progress 8 score is -0.46. Our focus needs to be on their attendance, quality of teaching they are receiving and their progress and attainment.

The following charts show the performance of disadvantaged students over the past 3 years, compared to the national average.

	2015/16		2016/17		2017/18		2018/19 projection
