

Year 11 revision support session starting January 2020

December 2019

Dear Parent

Following our analysis of Year 11 PPE and AP2 data, we have designed extra support sessions where students will get more bespoke help with revision in certain subjects. On the reverse is a table of when these sessions are taking place, which teacher will be running them and if your son/daughter has been selected to attend.

We would really appreciate your support by completing the slip at the bottom to confirm that your son/daughter will be able to attend on a weekly basis. These sessions will start on the first week back and will run up to the second round of PPE's in March.

If there are some sessions that you think your son/daughter would benefit from attending and they have not been selected then please let me know and we can support where necessary. You will notice that not all subjects are covered; some of these like Physical Education, Drama and Citizenship will be included in the next round of support sessions after PPE 2's.

I am really looking forward to the next term when all Year 11 students will be starting to revise in more detail, we are all happy to give any extra help and support your son/daughter needs in any way we can but ultimately they all need to work really hard! Please see details on the reverse.

Yours faithfully,

Mr M Gill  
Deputy Headteacher

.....

Reply Slip:

I give consent for my child \_\_\_\_\_ tutor group: \_\_\_\_\_ to attend all of the revision sessions suggested in the table, Which are:

Signed Parent/Carer

Year 11 revision support session starting January 2020
