- To build on the success of the reward assemblies.

Where did this come from?

- Student surveys
- School council
- Parent surveys
- Looking at other schools reward systems

Reward Card

- You will all be issued with a rewards card. It will be double sided and will have space for **30 points**.
- It is your responsibility to keep your card safe and make sure you have it with you at all times.
- When your card is full, you will post it into your form room folder, where it will be kept safe until the end of term.
- At the end of each term, time will be given in tutor time for you to count up your points and form tutor will keep a record of this.

- To give out reward points, staff will stamp the reward card and sign their initials over the stamp.
- Staff are limited to allocating one stamp per student per lesson.
