

We are updating this list of scenarios as new government guidance is issued and we come across different individual circumstances. Please keep checking the school website for further details.

What to do if...	Action Needed	Return to school when...
...my child has any Covid-19 symptoms	<ul style="list-style-type: none"> - Do not come to school - Contact school to inform us - Self-isolate the whole household. See the image at the end of this document for advice about how long other members of the household should self-isolate - Get your child tested - Communicate with the school about the test result 	...the test comes back negative or ...10 days have passed since symptoms began, even if they still have a cough or loss of taste/smell. (These symptoms can last for several weeks.) AND the child feels well.
...my child tests positive for Covid-19.	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 10 days). - Self-isolate the whole household. See the image at the end of this document for advice about how long members of the household should self-isolate 	...10 days have passed since symptoms began, even if they still have a cough or loss of taste/smell. (These symptoms can last for several weeks.) AND the child feels well.
...my child tests negative.	<ul style="list-style-type: none"> - Contact school to inform us. - Discuss when your child can come back (same day/next day). 	...the test comes back negative.
...my child is ill with symptoms not linked to Covid-19.	<ul style="list-style-type: none"> - If they are non-contagious type symptoms, the child can come into school if well enough. - Ring on each day of illness. 	<p>...if a child is sick or has diarrhoea, parents should keep them off school for a period of 24 hours after the last bout of illness.</p> <p>Parents should use this time to monitor them carefully. If they think they have been sick for reasons such as over-eating, over-exertion etc. then they should bring them back to school the next day.</p> <p>If parents have reason to suspect they have been sick or had diahorrea due to a virus or bug, they should keep the child off for 48 hours from the last episode of sickness or diahorrea.</p>
...someone in my household has Covid19 symptoms.	<ul style="list-style-type: none"> - Do not send anyone from your household to school. - Contact school to inform us. - Agree an earliest date for possible return. - Self-isolate the whole household. 	...see the image at the end of this document for advice about how long members of the household should self-isolate.
...someone in my household tests positive for Covid-19.	<ul style="list-style-type: none"> - Do not send anyone from your household to school. - Contact school to inform us. - Agree an earliest date for possible return. - Self-isolate the whole household. 	...see the image at the end of this document for advice about how long members of the household should self-isolate.
...NHS test and trace has identified my child as a close contact of somebody with confirmed Covid-19.	<ul style="list-style-type: none"> - Do not send the child who has had direct contact to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 14 days). - Any other children in your household, who have not had direct contact, can come to school. 	...the child who has had direct contact has completed 14 days of isolation
...NHS test and trace has identified a household member (other than my child) as a close contact of somebody with symptoms or confirmed Covid-19.	<ul style="list-style-type: none"> - The household member must self-isolate for 14 days. - Child can continue to attend school. 	...child can continue to attend school

<p>... a sibling attending another school has been sent home to self-isolate due to there being a positive case in their school.</p>	<ul style="list-style-type: none"> - Sibling at other school must self-isolate for 14 days. - Child at BHS can continue to attend. 	<p>...child at BHS can continue to attend school</p>
<p>... my child has travelled abroad from a country or territory that is NOT on the exempt list of countries.</p>	<ul style="list-style-type: none"> - If returning from a destination where quarantine is needed*: - minimum of 14 days self-isolation for all those who travelled - contact school to inform us you are back in the country and we will agree an earliest date for possible return to school - Self-isolate the whole household. - *Foreign, Commonwealth & Development Office (FCDO) – for up to date travel information 	<p>...the quarantine period of 14 days has been completed.</p>
<p>... my child has travelled abroad from a country or territory that IS on the exempt list of countries.</p>	<ul style="list-style-type: none"> - If returning from a destination where quarantine is NOT needed: - Check the current Exempt countries and territories list to confirm the country you have travelled from or through is on the exempt list. - Ring school to inform us you have returned to the UK and agree a return date to school. 	<p>... you have informed the office of your return to the UK</p>
<p>...I have travelled from a country that requires us to quarantine (but my child didn't travel).</p>	<ul style="list-style-type: none"> - As long as you do not have / have not had symptoms in the last 14 days, your child can continue to attend school. - The person who has travelled MUST NOT leave the house, including to do pick-ups and drop offs. 	<p>...child can continue to attend school</p>
<p>...we have received medical advice that my child must shield.</p>	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Shield until you are informed that restrictions are lifted and shielding is paused again. 	<p>...school inform you that restrictions have been lifted and your child can return to school again. ...you receive medical advice that your child may return to school.</p>
<p>...my child's year group bubble is closed due to a Covid-19 outbreak in school.</p>	<ul style="list-style-type: none"> - Child must not come to school. - Support your child at home with remote education provided. - Your child will need to self-isolate for 14 days. - Other siblings, in other year groups, may continue to attend school. 	<p>...school inform you that the year group bubble will be reopened.</p>
<p>... I am unable to get a test for someone in the household who has symptoms</p>	<ul style="list-style-type: none"> - If you are not able to get a test, your child and anyone they live with must stay at home and self-isolate for 14 days. - Anyone in your support bubble must also stay at home. 	<p>...the child has completed 14 days of isolation.</p>

What happens if someone in your family gets sick?

People may be able to pass on coronavirus without showing any symptoms
