Covid Update

Covid Vaccinations

The School Age Immunisation Service (SAIS) will be back in school on Monday. Their focus on this visit will be offering the Covid vaccination to students in Years 7-9 whose parents have consented. They have said that there is the possibility of them trying to administer jabs to some of the Year 10 and Year 11 students who missed out last time, but this will depend on how quickly they get through the other students. Last time they came in they only managed to get through approximately 70 students, and we do not yet know how large their team will be - they are obviously very stretched and in much demand. Parents can still book vaccinations outside school for 12-15 year old children - please follow the link here for this:

Covid Testing

Thankfully, at the time of writing this our cases are still very low in school with 1 student and 2 members of staff testing positive over recent days. However, we know from recent experiences how quickly things can escalate. Therefore, it is more important than ever to continue with the home testing of students on a regular basis, at least twice a week. Thank you for your continued support with this.

**Please keep using the Covid-19 home tests to test your child at least twice a week. Email Lynn Riley-Fox with any questions:
rileyfl@bedalehighschool.org.uk .**

Food Prep: Practicals Catch- Up Session

Mrs Bradley writes (repeated from last week):
On Thursday 16th December I will be running a morning practical assessment session for any Year 11 students who have missed any of their practical assessments due to absence. These assessments are important as the marks contribute towards 50% of the total GCSE grade. Please could students bring in the ingredients and recipe/method needed for these dishes as well as any plates/ingredients needed for the presentation of the food. Any questions, please email Mrs Bradley on bradleya@bedalehighschool.org.uk .

Rewards Trip

We are delighted to be taking 50 students across Year 7-11 on a reward trip to the Metro centre next Wednesday. These 50 students have consistently shown courage, commitment and compassion. Every single student on the trip has over 100 reward points to show for their hard work from the last 13 weeks. We are looking forward to celebrating with them. For the students who were close to the top 10 - well done on your achievements too. We will also be issuing bronze, silver and gold badges on the last day of term so students have a couple more days to collect points! We will be running another reward trip at Easter and Summer, if students have any suggestions please let Miss Bradbury and Miss Temple know.

Date - Wednesday 15th December 2021.

Time - We will be leaving school at 9am and will return for the end of the school day.

Cost - £3 per person and this should be paid on Parent Pay by no later than Monday 13th December 2021. Students can then bring spending money for the trip if they would like to go shopping, purchase food or visit the cinema.

Please ensure they are dressed appropriately for the weather. Students are allowed to bring their mobile phone on the trip. On the day of the trip students should go to tutor time at 8.45am as normal and then meet in the main hall, ready to leave, at 8.50am.

Christmas Jumper Day

We will be splitting the charity money we raise through this day between Cancer Research UK and Alfie's Wish - a student at Bedale Primary school (link here):

https://www.gofundme.com/f/Alfiewish?utm_campaign=p_cp+share-sheet&utm_medium=copy_link_all&utm_source=customer

Students can wear the jumpers over the top of shirts either in place of a blazer, or underneath a blazer. All other school uniform requirements remain as normal.
