Covid Update

Face-Coverings

The latest government guidance is that students and staff no longer need to wear face-coverings in lessons, or in communal areas in school. Students should continue to wear them on buses if it is particularly busy, or if the driver asks them to. We will continue to review the situation in school and reserve the right to reinstate face-coverings if case numbers rise significantly. In the interim period, both staff and students may still choose to wear them in school.

Update on Vaccination Programme for 12-15 Year Olds

We are still waiting to hear from the School Age Immunisation Service (SAIS) to confirm when they will be back in school to offer vaccinations. Parents can book out-of-school vaccinations for your child, should you choose to do so. The link for further information on this is here: [NHS](#)

Vaccinations

Self-Isolation

People who are self-isolating with COVID-19 can reduce their isolation period after 5 full days if they test negative with an LFD test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either test is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10-day period of self-isolation.

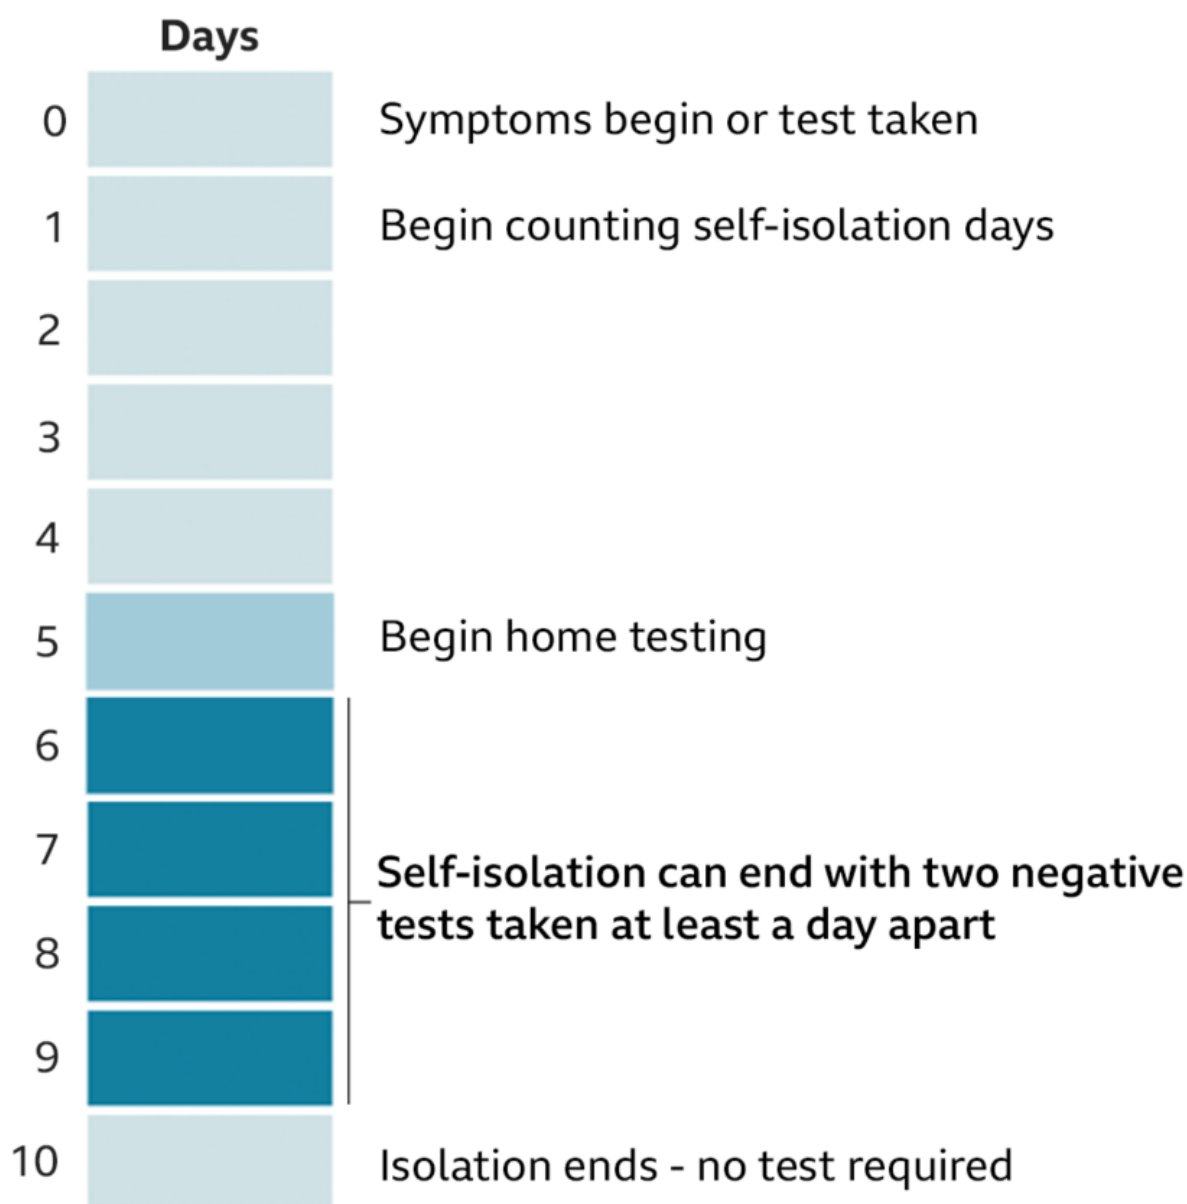

Further information on self-isolation for those with COVID-19 is available here:

Well Done Yr 11 Football Team!

Mr Gill was delighted with the Yr 11 boys' team on Monday evening when he took them to the wilds of Easingwold for their first match in several weeks.

The boys produced a masterclass, trouncing the opposition with a 6-1 thrashing. Amazingly, all the goals were scored by Alistair Banks, who unsurprisingly earned the Man of the Match award.

Matt 'Bielsa' Gill is not getting carried away, *'We just take each game as it comes'*, he reflected in his stimulating post-match analysis. *'Them boys is triffic. They done me proud.'* And with such inspiring words, it's no surprise that they remain unbeaten all season. 😊

Cross Country Success

On Saturday 15th Jan we had 5 students representing the Hambleton and Richmondshire Area at the North Yorkshire Cross Country Championships held at Risedale School. This was following on from their success at the area trials before Christmas. They were competing against the best athletes from across North Yorkshire so the standard was very high. It was also a very cold and wet morning making it even more challenging for them. We are very proud of all students who participated - Josh H (Y11), Bella S (Y10), Matilda E (Y8), Polly S and Charlotte JB (Y7). A special mention to Josh H who finished 3rd in his race and will now go on to represent North Yorkshire at the English School Cross Country event in Kent later this year.

Congratulations to Connor in Year 11 who has been shortlisted to the final 3 to be a member of the Youth parliament for this area. Voting will be carried out in secondary schools shortly. Connor is busy putting together his final manifesto and in the meantime he has written this to provide some insight into the process so far....

*To become a YMP elective I had to write a small manifesto and write a bit about myself. I had to talk about why I wanted to run for the role. I ha... See more
