What do I do if I'm not happy with my grade?

All students have the opportunity to appeal their grade. It could be that on your Results Slip there has been a clerical error, (so it is important that you check and query this on Results Day, either by speaking to Mr. Gill, Mr. Kelly or Miss Riley-Fox).

If for any other reason you are unhappy with your results, you will have the opportunity to appeal a grade. It is important to note that an appeal may result in a grade being lowered, staying the same, or going up. So, if a student puts in an appeal and their grade is lowered, they will receive the lower mark. There is also the option to re-sit GCSEs in the autumn in your Further Education College, which may be preferable to some students. Please speak to a member of staff on Results Day and we will guide you through the process.

What should I do before appealing?

Students must read the JCQ guide before appealing: [Post-Results Services - JCQ Joint Council for Qualifications](#)
