The Bedale Colour Run...TOMORROW!

WE ARE LOOKING FORWARD TO SEEING EVERYONE AT THE BEDALE COLOUR RUN THIS SATURDAY 25TH JUNE!

- All tickets are £5.00 which can be paid in cash on the day of the event.
- Gates open at 0915 and the children's race (up to age 10) starts at 1000. The big race for everyone else begins at 1100.
- Don't forget to wear a white t shirt (to ensure maximum colour coverage) and some old shorts/leggings/tracksuit bottoms.
- There will be an ice-cream van as well as sweets and drinks stalls available on the day.
- You can run, walk or even dance the race routes. Fancy dress is actively encouraged - the sparklier the better!
- This event is open to everyone, young and old, from the Bedale High and Primary School communities as well as family, friends and neighbours from the wider local community.

The sun is forecast to shine tomorrow so why not bring the family down to Bedale High School for a fun day out, supporting and raising money for Cancer Research UK!

Summer Showcase!

Miss Ackers writes: We were delighted to host our annual summer showcase on Thursday to celebrate all the hard work which our year 11 students have put into their Art and Textiles coursework. The evening consisted of musical performances from students of all ages and all of our artwork was displayed for the public. I would like to congratulate everyone involved for all their hard work and dedication over the last two years. The artwork and music were both brilliant! Thanks also to the many visitors who dropped in to enjoy the work and performances, including the very popular songs from Everybody's Talking About Jamie.

Mental Health Signposting

We will continue to promote this on a weekly basis

Unfortunately, the services offered by KOOTH (online chat/text-based counselling, discussion forums and online self-care resources for children and young people during the COVID-19 pandemic) ended on 31st March.

However, in our area, there are a range of national and locally-funded support forums for children and young people which are now embedded, including:

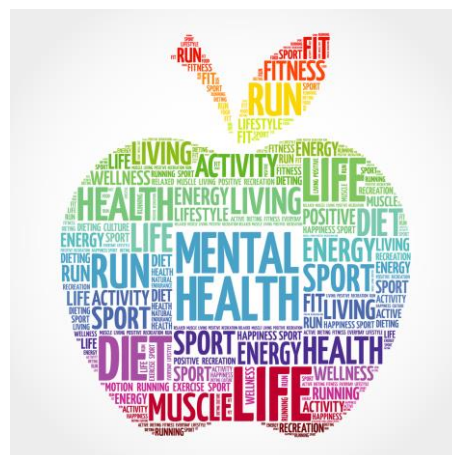

<https://thegoto.org.uk/> The Go-To Website - the home of wellbeing and mental health in North Yorkshire. The website helps young people find the right help and support to stay well, whatever is happening in their life.

[Childline](#) - free, confidential, anonymous 24/7 service for anyone under 19 in the UK with any issue including emotional and mental health.

[YoungMinds](#) Textline - free, 24/7 text support for young people across the UK experiencing a mental health crisis, with texts answered by trained volunteers supported by experienced clinical supervisors

[Buzz Us Text Messaging Service](#) - confidential advice, support and signposting from a wellbeing worker within one working day via text for young people aged 11-18 across North Yorkshire and York.

There is further information - including health professionals' referral forms - on [NHS North Yorks CCG Website](#)

YR 11 UNIFORM DONATIONS?

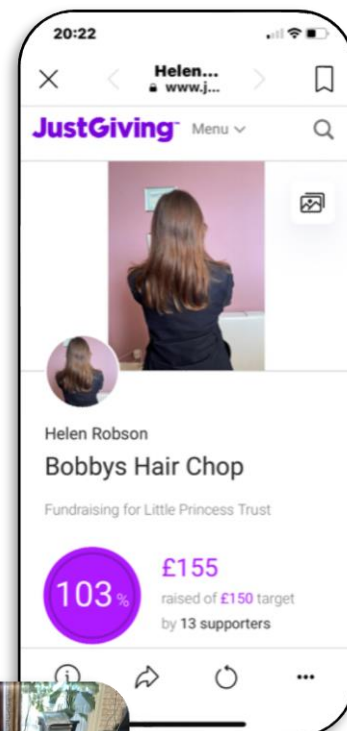

If, as they come to the end of their exams, any Year 11s have items of school uniform that they would like to donate to school, these would be gratefully received. We always have use for blazers, skirts, trousers and ties if they are in decent condition.

Please just drop them into Main Reception when during the school day...
THANKYOU!

Bobby's Charity Hair Chop

Bobby Robson (9MDR) has raised an incredible £155 for The Little Princess Trust by having his long locks chopped off. Bobby also donated his hair for the cause. This is a brilliant charity who provide real hair wigs, free of charge, to children and young people who have lost their own hair through cancer treatment or other conditions.

Bobby's family are rightly proud of his amazing efforts - and so are we! It is great to see such compassion in action.

GCSE PE/Sports Studies - Climbing

Mr Bielby Writes: For the last 3 Monday afternoons, I have taken 14 x Yr 10 students over to the Harrogate Indoor Climbing Centre (Parthian) so they could gain experience at climbing as well as gaining a practical mark which could go towards their final grade. The students seemed to really enjoy the new environment and the challenges that they all faced. During the 3 weeks the students learned a number of new skills ranging from how to tie knots, belaying each other safely using different belay devices, to climbing different routes and bouldering (low level climbing without ropes). It was a pleasure to see our students support each other and rise to the new challenges, as well as come away with some really positive marks which will go towards their final practical marks. Can I also thank Mr Coombs who accompanied me on the trip and was invaluable with his help.

HPV Immunisations for Yr 8 and 9

The immunisation team will return to school on 12th July to administer HPV jabs to Yr 8 and Yr 9 students.

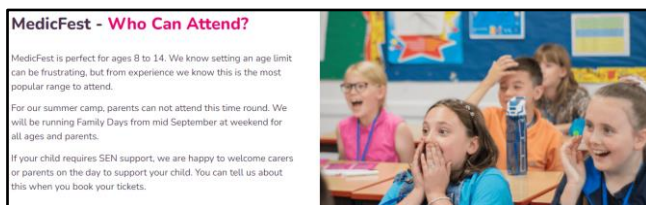

Please contact Mr Johnstone in Pastoral if you have any queries in advance of this.

Police Cadets

Have you ever wondered what you would like to do when you finish school? Are you passionate about joining the police in the future?

Becoming a Police Cadet is a fantastic opportunity for young people to gain an insight into policing, develop their skills and support the local community.

Cadet recruitment is now open to all young people aged between 14 and 18 who live in North Yorkshire.

During your weekly cadet meetings which take place 2 hours per week (weekdays only), you will learn about policing duties and skills, and basic law. Your cadet nights will also include physical activities, drills, visits from various Officers and Staff members from NYP and first aid skills.

Being a cadet will give you a great insight into policing and you will have the opportunity to visit departments within the police service such as the Dog Section, Firearms Unit, Roads Policing and Crime Scene Investigation units.

Applications close 5pm on Monday 20th June 2022. Please see the link here for further info:
