Satchel One & Home Learning

At Bedale High School, we use an online application called **Satchel One**. It is a user friendly platform which allows you to see full details of the tasks your child has been set, all their upcoming deadlines and any submission statuses or grades recorded by their teacher. Both parents and students receive their own accounts and can access information about home learning, timetables and reward points.

We have been using the application for many years and have found that it removes confusion as students see what they need to do and when they need to do it plus, it gives you all the detail you need to support your child's home learning.

You can use Satchel One on your laptop, tablet or phone. It is also available to download as an app on iOS and android devices.

Instructions for accessing satchel one:

For students:

1. Load up the following website (or download the app) : <https://www.satchelone.com/login>
2. Select 'student' from the top bar.
3. Select 'Sign in with office 365'
4. They then need to use their school email address and password to log on.

Email address:

- Year 7 addresses start with 22
- Then 5 letters of their last name
- Then their first name initial
- Then @bedalehighschool.org.uk

Example for 'Ben Robinson': 22robinb@bedalehighschool.org.uk

Password: Students have chosen their own password in IT lessons. It is the password they use to log onto the school PCs.

Students have been shown how to use Satchel One during their first IT lesson but if you would like some additional support videos, please find them here - <https://help.satchelone.com/en/collections/1695417-students>

For parents:

1. Load up the following website (or download the app) : <https://www.satchelone.com/login>
2. Select 'parent' from the top bar.
3. Select 'I don't have an account yet'
4. Enter Bedale High School, your email address, and your parent code (provided on a letter sent home with students)

We highly recommend that parents watch this quick guide on how to effectively use Satchel One and support their children with home learning -

<https://help.satchelone.com/en/articles/5472656-parent-video-guides>

If you need any additional support, please get in touch admin@bedalehighschool.org.uk
