Open Evening – Thank you!

On Wednesday evening we had a fantastic Open Evening event. Last year was our biggest and most successful to date, but it was amazing to see this year surpass even those high standards. We had almost 550 visitors through our doors on the evening. I explained to the parents of Yr 5 and Yr 6 students that this is one of my favourite events of the year, because it forces us as staff to step back from the hurly-burly of a busy school day, and just to enjoy what we have here, which is the opportunity to work in and be part of a fabulous community.

I am always seeking trusted external opinions about the school - this is what helps us to keep improving. So I was delighted when our new Deputy Headteacher Mr Dunne, who has a wide range of experience in other types of school, said to me that this was one of the best Open Evening events he has ever witnessed in his time as a teacher.

As well as being a key part of our drive to continue growing the school, it is an important opportunity for our Student Leaders to step forward and thrive in whatever role they have taken on. On Wednesday, we had School Ambassadors greeting parents, serving them refreshments and taking them on tours around the school, talking to younger primary students and putting them at ease. We also had Subject Ambassadors, - flooding every subject area and doing a great job of telling parents and primary students what it is like to study that subject. There were games, experiments, competitions, treasure hunts, food treats, challenge tasks, sports and a range of other activities across the school.

I would like to say a huge thankyou to you for helping us promote the event, and especially to your children for being the real stars on the night. A special well-done to Timmie (Yr 10) and Olivia (Yr 8) for speaking to a packed hall full of students and parents about their school experiences, and to our Friends of BHS for all their help with refreshments and hosting.

Wellbeing Support from Bedale High School

There are lots of places you can access help and support...

www.thegoto.org.uk

This is a website developed by the NHS North Yorkshire Clinical Commissioning Group. It is a single point of information that promotes different mental health support services (like a signpost). The website is designed primarily for young people but there is information for parents and carers too.

Contact details:

Mr T Kelly

Further Information

In our area, there are a range of national and locally-funded support forums for children and young people which are now embedded, including:

<https://thegoto.org.uk/> The Go-To Website - the home of wellbeing and mental health in North Yorkshire. The website helps young people find the right help and support to stay well, whatever is happening in their life.

Childline - free, confidential, anonymous 24/7 service for anyone under 19 in the UK with any issue including emotional and mental health.

YoungMinds Textline - free, 24/7 text support for young people across the UK experiencing a mental health crisis, with texts answered by trained volunteers supported by experienced clinical supervisors

Buzz Us Text Messaging Service - confidential advice, support and signposting from a wellbeing worker within one working day via text for young people aged 11-18 across North Yorkshire and York.

There is further information - including health professionals' referral forms - on [NHS North Yorks CCG Website](#).

Bereavement Support

This week's Year 10 PSHE lessons focussed on how we deal with grief - something especially pertinent to our community after events in the summer.

I am sharing here the final slide from the lesson which signposts students and families to other sources of support that may be of use.

Year 7s and Satchel One (For Self Study)

Miss Bradbury writes: As most of our Year 7 students have now completed their first computing lesson, and have been issued with their email addresses and passwords, we have generated the parent accounts for Satchel One. You are able to use your account to monitor and support your child with their self-study as well as view their reward points. You can download the Satchel One app on your phone (both android and iOS) or access the website via a computer <https://www.satchelone.com/> . Parent log on details have been sent home with your child earlier this week.

In their first few computing lessons, students are shown how to access their email account and Satchel One account. If they need some additional support logging on, I have created the attached help sheet which should solve most problems. There is also some information on there to help you access your parent account. I recommend watching the short video guides created by Satchel One so you can make the most of the platform Parent Video Guides

<https://help.satchelone.com/en/articles/5472656-parent-video-guides>

If you or your child have any further problems logging onto Satchel One, please get in touch. bradburys@bedalehighschool.org.uk .

Super Swimmers? U16 Girls' Football

The annual swimming gala is on Monday 10th October.

If there are any club standard swimmers amongst our students, please can they come to see either Mr Bielby or Miss Temple ASAP so that we can include them in the gala. We obviously want the strongest teams we can get and we are keen to ensure that no one is left out who might want to be involved. The pool at Bedale Leisure Centre will be open for warm up from 9.15am with races starting at 9.45am. Expected finish time is 12noon. Thankyou.

As well as Open Evening, we also hosted the U16 boys' and girls' area 7-side football tournaments this afternoon. This was a great event with lots of schools in the area participating. Our U16 girls' team played some fantastic football and only conceded 1 goal in their 4 matches, finishing runners up overall (narrowly missing out on winning by 1 point). They demonstrated our core values exceptionally throughout and we are very proud of their achievement 🏆🌟. Also a big thankyou to Bedale Juniors FC for supporting the event by allowing us to use their facilities.

Year 7 Ties and Uniform Items

Please remember to write names on these items...it helps in the first few weeks especially when they are more likely to be losing things or leaving them in changing rooms after PE etc. Thankyou.
