Thank You Co-op and all of you Co-Op members!

Mrs Hall writes: WE are extremely grateful to the Co-op and their community causes funding. We have been one of their chosen causes for the last year and today our school garden project received a cheque for £5148!

Our dreams of a quiet reflective garden to sit in have just taken a huge step towards becoming real. Over the winter we will now be able to install a patio and water feature as well as finishing off the paths and flower beds. We can't wait for the spring bulbs to come through and bring some colour to our little corner of school.

This money makes a huge difference to us...thank-you so much on behalf of our school community to all of you who signed up to help.

Weird and Wonderful Science

This week, in science, Year 9 have been studying the structure of DNA and looking at the cell cycle.

The pupils successfully modelled the double helix and colourfully illustrated the cell cycle including mitosis, using modelling clay.

This week in the Year 7 STEM Club we are doing some chromatography on Autumn leaves to see if we can separate the compounds that cause the different colours.

The photo below shows some chromatograms that Year 7s made this week in science lessons which involved separating out the colours from felt pens.

Why are the leaves different in Autumn?

Let's do some leaf chromatography.

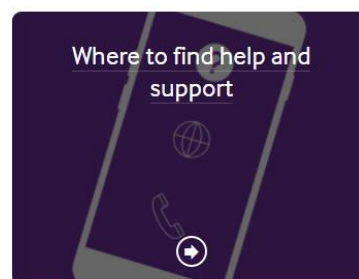

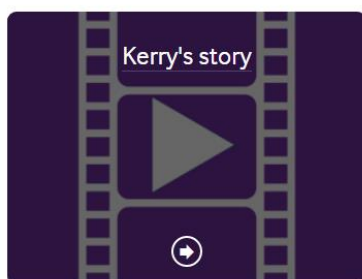

Not My Child Campaign

NotMyChild

Leah from Northallerton was 15 when she lost her life in a car park after taking two 'MDMA bombs' (a powder form of Ecstasy).

Leah's mum Kerry and Commissioner Zoë are working together to encourage parents, guardians and care givers in York and North Yorkshire, to have **early and positive conversations with their children about drugs and other substances** to help prevent them from coming to harm.

This campaign has recently been launched by NY Police, Fire and Crime Commissioner Zoe Metcalfe, together with Kerry Roberts (mother of 15 year-old Leah who died after taking drugs in 2019, in Northallerton).

The campaign aims to encourage parents, guardians and carers to have positive conversations with their teenage children about drugs, alcohol and other substances, before any harm has happened.

It was inspired by the tragic story of Kerry's daughter Leah who died after taking drugs in 2019. Leah was 15 when she lost her life in a car park in Northallerton after taking two 'MDMA bombs' (a powder form of Ecstasy), whilst with a group of friends.

Kerry wanted to help other parents to have proactive and positive conversations with their children about drugs and alcohol and so has teamed up with Commissioner Zoe to create the "NotMyChild" campaign. Full details are available at www.notmychild.info

BHS Christmas Fayre

Following the huge success of last year's Christmas Fayre at Bedale High School, we are delighted to announce that this year's event will take place on **Friday 18th November 2022 from 1700 to 1900 in the main hall at BHS.**

If you would like to run a stall at this event, please email loughlink@bedalehighschool.org.uk. A table top stall costs just £10 and we kindly request that you also donate a prize to our raffle which will be drawn on the night.

This event is completely free to attend and suitable for the whole family. Why not treat yourself to a festive evening of tasty treats, catching up with friends and getting ahead of the Christmas shopping game?

The poster is a vertical rectangular design with a gold background. On the left, there is a stylized illustration of a nutcracker in a red uniform and black hat. To its right, a dark blue rectangle contains the text 'BEDALE HIGH SCHOOL' in white. Further right, a red bow is tied around two white baubles. Below these elements, a large red rectangle features the words 'CHRISTMAS FAYRE' in bold, dark blue capital letters. Underneath this, the date and time 'FRIDAY 18TH NOVEMBER 2022 1700 - 1900' are written in black, followed by 'FREE ENTRY' in a smaller black font. Below that, the text 'COME ALONG FOR AN EVENING OF CHRISTMAS SHOPPING, GREAT FOOD, FESTIVE MUSIC!' is displayed in black, flanked by two white stars and two red starburst symbols. In the bottom left corner, there is a circular logo for Bedale High School featuring a rose. Sporting Update

Miss Temple writes: On the Monday before half-term we hosted the Y5/6 Girls Cluster Primary Football Tournament. We had a brilliant morning with students from 6 primary schools taking part. Our Sports Leaders did a fantastic job (as always) of refereeing the games, scoring and organising results. Well done to Bedale Primary who were the winners of the tournament and Pickhill who were runners up.

Tuesday 18th October:

Netball Success 🏐 A number of players from Y8/9 and 10/11 played in a netball friendly vs Northallerton. Both teams got off to a flying start scoring lots of goals. The courage and commitment from all players was fantastic and there was some excellent netball on display. The y8/9 team won 30-3, whilst the Y10/11 games were very tight (23-21). Well done to Daisy W (Y9) and Aimee B/Niamh H (Y11) who were players of the match for their team. We look forward to playing them again in a couple of weeks.

Wednesday 19th October saw our U16 BHS Yr10 & Yr11 student Rugby team play in a festival against Risedale (Hosts), SFX, Richmond and Wensleydale. It was a great night of rugby enjoyed by all our boys. The BHS boys did their school proud delivering our school's core values in spades which was a fitting tribute to Aaron Bell who designed the Rugby top #commitment #courage #compassion

BHS Art Exhibition

Everyone is welcome to come along to the private view on Tuesday to celebrate our students work and enjoy some refreshments. We hope to see you all there!
