🎓 Unlocking ADHD for Parents/Carers

Understand and support your child's needs around attention, impulsivity and activity.

Outline

Parents / carers will develop understanding of the current thinking on ADHD and learn strategies that support successful management of these needs.

Description

Parents / carers will develop understanding of the current thinking on ADHD and learn strategies that support successful management of these needs.

Audience

Parents and carers.

Booking Information

Please ensure that it is the DELEGATE information that is booked in order that joining link and instructions for the course or any pre-course information is then available for the delegate.

Delegates please log on 15 minutes before the start of the training so you can resolve any audio or video problems.

You will find a link to the course documents including joining instructions, meeting ID (if required) and any supporting documentation in your booking confirmation email and in the subsequent reminder(s).
