

## School Ambassadors

Our School Ambassadors are the student 'face' of Bedale High School!

At the beginning of each academic year students from all year groups can apply to become School Ambassadors and this is a position of leadership that they will hold until the end of their time at the school.

School Ambassadors work closely with members of the school's Senior Leadership Team throughout the year to promote and develop the school. In particular their role is to work closely with visitors to the school and members of the wider school community to celebrate our core values and the pride of being part of the school community.

A School Ambassador is an excellent role models to their peers, bringing our core values of Courage, Commitment, and Compassion to life!
